

## TREK Android Tap-to-pay 21.5"

NFC-powered touch computer designed for modern shopping experiences.

**TREK** Android Tap-to-Pay by Custom Group is your versatile, all-in-one solution for true functionality. Designed for **SoftPOS**, the Trek Tap-to-Pay seamlessly powers your transactions with its **under-the-glass NFC reader**. By combining order entry and payments in a single device, TREK Tap-to-Pay speeds implementation and simplifies service.

Google-approved and packed with power and connectivity, the TREK Android 21.5" Tap-to-Pay offers a wide-range of possibilities. Pair it with Custom's CONNECT stand for an instant self-service, payment enabled kiosk. Retail hardened and backed by Custom's trusted warranty support, TREK is purpose- built to withstand the rigors of high- traffic, high-demand environments.

## CARACTERÍSTICAS

### 1. High Performance

Seamlessly power any application: POS, Self-Service, KDS, Price Checker, and more

### 2. Extreme Versatility

Choose from an assortment of Micro USB-attached accessories to instantly transform TREK for any customer touchpoint

### 3. Google Approved

Securely and flawlessly access Google's suite of apps and services via TREK's GMS-certified Android 13 operating system

### 4. Elegantly Functional

Simplify your installations while never compromising on style

### 5. Rich Connectivity

Easily connect all your POS peripherals and accessories

### 6. SoftPOS-Ready

Put the ease and security of tap-based payments within reach with TREK Tap-to-Pay's embedded NFC reader. Leverage the on-screen reader to create an instant payment-capable kiosk or self-service station.
