TP5

All-in-One POS Terminal

With a sleek,stylish and compact design, the TP5 Pro is perfect for even the most confined POS locations. The TP5 Pro features a 14" TruFlat projected capacitive touchscreen, Intel J1900 CPU,and optional integrated receipt printer.

??????????????

RESILIENT TOUCH DISPLAY
The TP5 features a 14″ widescreen LCD with TruFlat projected capacitive (PCAP) multi-touch technology built to take the rigors of heavy everyday use.

BEAUTIFUL AND FUNCTIONAL
Built on a sturdy aluminum frame, the TP5 delivers a modern look for your business while maintaining a small footprint, saving you valuable counter space.

INTEGRATED PRINTER (OPTIONAL)
The integrated printer means no external printer cables creating a clean, cable free environment.

ENVIRONMENTAL RESISTANCE
With a IP54 Ingress Protection Rating, the TP5 was designed to withstand the harshest of environments.

HIGH PERFORMANCE CPU
Built on Intel's mobile Bay Trail technology, the fanless TP5 is powered by Intel's latest J1900 CPU. Making it fully capable of handling even the most demanding applications.
